

CROATIAN SOCIETY OF CHEMICAL ENGINEERS (CSCE)

HRVATSKO DRUŠTVO KEMIJSKIH INŽENJERA I TEHNOLOGA (HDKI)

ABOUT SOCIETY

The Croatian Society of Chemical Engineers – CSCE (Hrvatsko društvo kemijskih inženjera i tehnologa – HDKI) is a unique association of chemists, chemical engineers and technologists, persons and legal subjects, which functions in the Republic of Croatia and abroad. It is permanently acting on the improvement of natural and technical sciences and their application in practice; it encourages all kinds of engineering activities aimed at the optimization of technical and economic development, welfare, security, health, environmental protection and social well-being.

HISTORY

- Society was founded in 1912
- 1947 – 1953: **Section of Chemists**
- 1953 – 1962: **Society of Chemists and Technologists of Croatia**
- 1962 – 1992: **Association of Chemists and Technologists of Croatia**
- 1992 – today: **The Croatian Society of Chemical Engineers and Technologists**
 - 1988 – European Biotechnology Foundation (EBF) membership
 - 1992 – European Federation of Chemical Engineering (EFCE) membership

REGIONAL SOCIETIES

- Society of Chemical Engineers and Technologists, Osijek
- Society of Chemists and Technologists, Koprivnica
- Society of Chemical Engineers, Split

SECTIONS

- Section of Chemical Engineering
- Section of Chromatography
- Section of Organic Chemistry Nomenclature and Terminology
- Section of Ecological Engineering
- Section of Macromolecules
- Student Section
- Thermal Analysis and Calorimetry Section

Members: **800**
Employees: **1**
Regional societies: **3**
Sections: **7**

President: **Prof. Matko Erceg, PhD**
Vice-President: **Prof. Tomislav Bolanča, PhD**
CSCE Secretary: **Assist. Prof. Antonija Čelan, PhD**
Administrative Secretary of Publishing Activities,
Graphic & Technical Editor: **Zdenko Blažeković, MSc**

Address: Berislavićeva 6/I
10 000 Zagreb, Croatia
Mobile: +385 91 7834 255 (Secretariat)
Mobile: +385 91 7834 255 (Editorial Office)
e-mail: hdki@hdki.hr
website: www.hdki.hr

CONFERENCES & WORKSHOPS

CSCE is the organizer of scientific national and international conferences and workshops, as well as EU projects:

- The Croatian Meeting of Chemists and Chemical Engineers**, every 2 years
- The International Symposium **Ružička Days**, every 2 years
- The Meeting of Young Chemical Engineers**, every 2 years
- Croatian Symposium on Chemistry and Technology of Macromolecules**
- International Symposium **New Achievements in Chromatography**
- CSCE Chemical-engineering Workshops**
- Conferences in the fields of electrochemistry and electrochemical engineering and many others
- Znanje + kreativnost = STEM inspiracija (SF.2.4.06.04.0015)**

Kemija u industriji (Chemistry in Industry – Kem. Ind.) is a bi-monthly journal, which has been published continually for more than 70 years, and from the very beginning it has been a journal for chemists and chemical engineers (founded in 1952). It is the official journal of the Croatian Society of Chemists and Chemical Engineers (publisher), and the Croatian Chemical Society. The journal publishes scientific and professional papers, opinions, commentaries, reviews and information from practice and contributions under permanent or periodical headings.

PUBLISHING ACTIVITIES

website: www.hdki.hr/kui/
e-mail: kui@hdki.hr

Editors-in-Chief: **Prof. Šime Ukić, PhD**
Assoc. Prof. Dajana Kučić Grgić, PhD

In 1987, the Association of Chemists and Technologists of Croatia began to publish an international journal in English **Chemical and Biochemical Engineering Quarterly (Chem. Biochem. Eng. Q.)**, issued four (4) times per year.

The journal accepts contributions of original scientific papers, reviews, preliminary communications, professional papers, and conference papers.

website: www.hdki.hr/cabeq/
e-mail: cabeq@fkit.hr

Editor-in-Chief: **Prof. Bruno Zelić, PhD**
Prof. Marko Rogošić, PhD

Other CSCE publications

Apart from the aforementioned journals, CSCE publishes scientific and professional books in the fields of chemistry and chemical engineering. We proudly emphasize two series of our editions:

- Croatian Nomenclature of Organic Chemistry**
IUPAC rules and recommendations translated and adopted in Croatian
- Croatian Chemists and Chemical Engineers**
